North Sea CCS &
Hydrogen Summit

Exhibition opportunities

1 – 2 June 2026

Sheraton Grand Hotel, Edinburgh

The OEUK North Sea CCS & Hydrogen Summit will take place 1 – 2 June 2026 at the Sheraton Grant Hotel, Edinburgh.

Offshore Energies UK invites you to the North Sea CCS and Hydrogen Summit 2026, bringing together industry leaders, regulators, investors and the supply chain delivering the energy transition.

With the theme, “An Integrated and Resilient North Sea”, the summit brings together UKCS and European perspectives from across industry, government and regulators to unlock the decarbonisation and growth opportunity for the North Sea region.

The event prioritises practical collaboration, the programme reflects the sector’s early growth and ambition, and how it is moving decisively from concept to deployment. It will explore what is being done to strengthen the evolving business case, and confront the real-world challenges of interoperability, quality specifications, regulatory alignment and carbon storage readiness.

Why Attend?

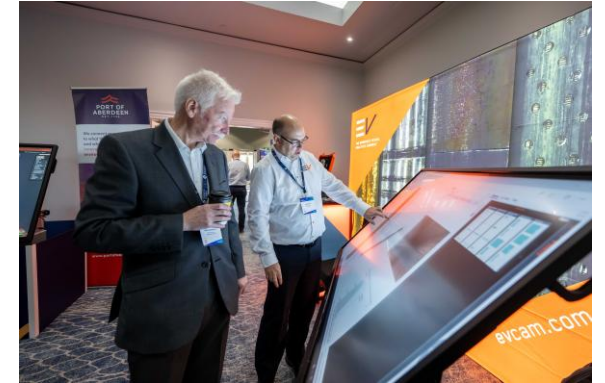

- Presentations from active projects that have reached Final Investment Decision
- Gain insights from investors, legal firms, and insurers as new products and services emerge to support these new sectors
- Understand perspectives from regulators across the North Sea region

Exhibiting

Exhibiting at the North Sea CCS & Hydrogen Summit 2026 will allow you the opportunity to raise your company's profile, products and services, to network with other delegates and talk to them directly.

- Network with industry professionals, expert in the fields of CCS and hydrogen
- Align your company with this event and promote your messages to a targeted audience of decision makers
- Hear from key industry leaders, government representatives, specialists and regulators
- Network with over 300 industry colleagues
- Share your views on topics affecting the industry
