

Rich Denny

*Managing Director,
Northern Endurance Partnership*

Our Purpose

Delivering economic growth through decarbonisation

Our Mission

We safely and permanently store CO₂ from Teesside and the Humber to support the net zero journey and drive economic prosperity

Our Vision

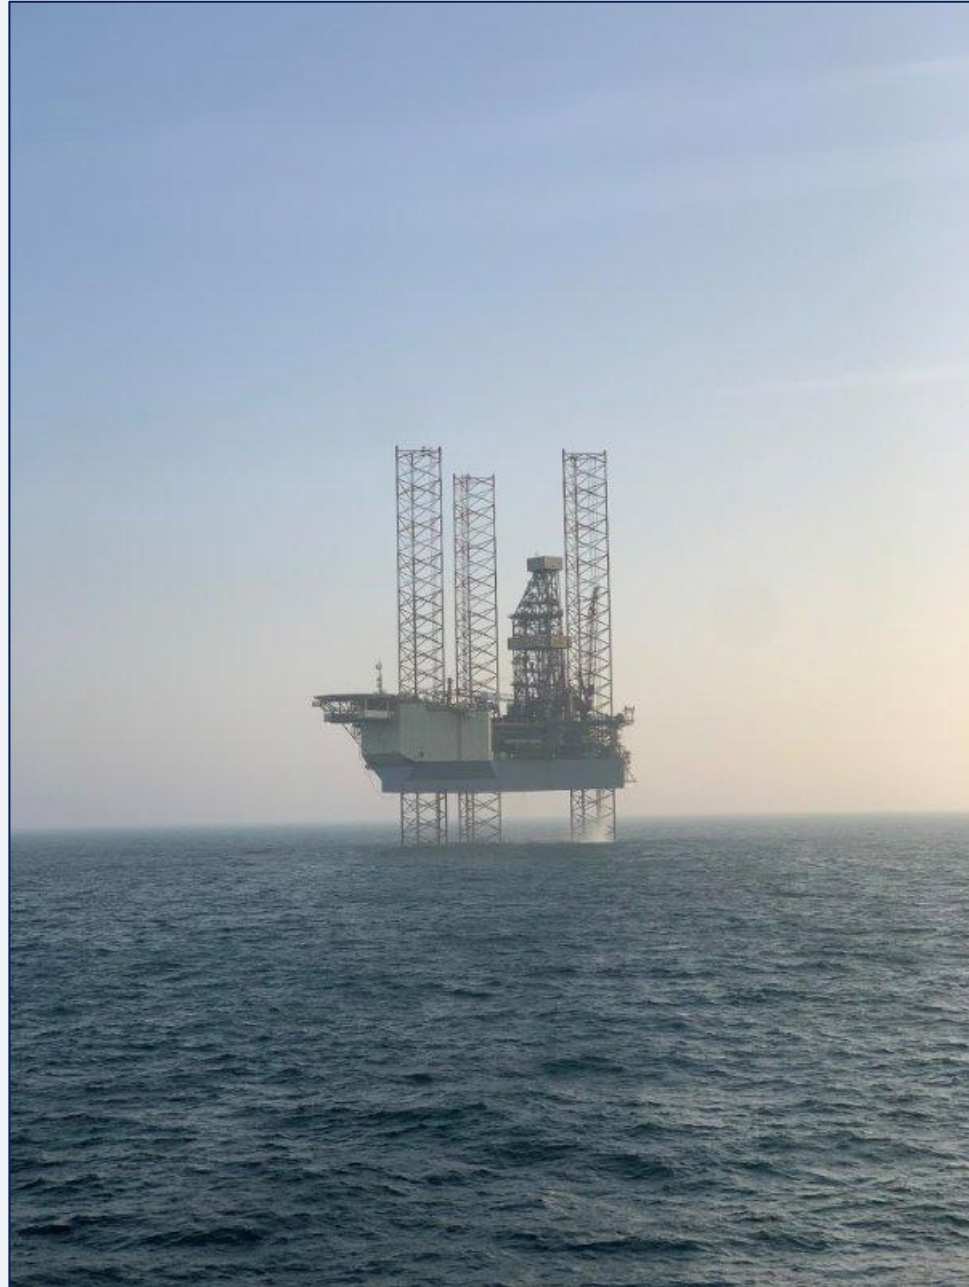

We will pioneer CO₂ Transportation & Storage, building the largest asset in the UK, inspiring others to follow and enabling a commercially sustainable market

KEY	
	Proposed CO2 pipeline
	Approved CO2 pipeline
